A. The companies

Company	Class	Where it stands (up to date)	Gaps	Pat	Next step (owner)
Noesis AI Agent System Ltd 805939 (Noesis)	1	Holding company. Doc 4 constitution (revised); party to Docs 5, 6; cap table in Docs 1, 2, 6 at 86% Shane A, 8% family, 6% executives. Shane 100% today per Pat.	Register, certificates, paid-up capital; earlier Pat-to-Shane transfer; directors and secretary unnamed; public constitution shows 86% and 80%; Class C source and pool unstated; dates blank.	83% A and 17% B, fourteen holders: No. Records first: Partly. Tax cleared first: No.	Registers and capital evidence (Shane, Pat); name officers (Shane); settle cap table (Friday).
Asterial Ltd 804907 (ODIN IP)	1	Doc 3 constitution (97% Noesis, 3% Shane Class B; Founder secondary right); IP assignee (Doc 7), licensor (Doc 8), Doc 9, 10. My records: shares in Shane's name; John secretary.	Share transfer into Noesis and its tax; current register; John's appointment evidence; IP price 1 or 10 euro; chain-of-title evidence for 15,000+ assets; percentages in public constitution.	Verify capital and title first: No. Tax test before transfer: No.	Register; Pat to test tax on transfer and assignment; evidence file for Doc 9 (Shane).
Zubelsala Ltd 817481	1	Continuity vault; party to Doc 5; 90-day sync in Doc 8; seal in Doc 7. B10 for John signed 24 Sept per earlier note (not CRO-checked).	No constitution among the ten; shareholders and directors not on file; sync mechanics untested.	Constitutions aligned: No.	Template constitution; register (Pat's office); decide who verifies the 90-day copy.
SanCelvio Ltd 817480	1	Social-good arm; party to Docs 5, 7, 8. Childen intended home (28 Sept), not on 1 Nov chart. John secretary likely.	No constitution; shareholders unknown; charity-versus-commercial status and Childen ownership open.	As Zubelsala.	Constitution; confirm Childen position (Shane).
Mainly Velocity Ltd 804908 (Velocity AI)	1	Trading as Velocity AI. Assignor in Docs 7 and 9; party to 5, 8. Signed Barber Republic Phase One agreement with BarberBarber Ltd (17 Aug): IP passes on full 55,000 pound payment; Velocity keeps its underlying frameworks.	No constitution; shareholders; list of its contracts for the commitments record; how its retained IP traces to Asterial; Barber Republic IP title until full payment.	Commitments record first: Open.	Contract list; chain-of-title note (John); constitution.
Tairseach Ltd (trading as Tairseach)	2	22 Oct email: "in incorporation". 4 Nov summary: not incorporated; seal and party removed from Docs 7, 8; joins by s45 Deed of Adherence.	CRO number, directors, shareholders; which statement is true; registered-name confusion earlier.	Roster first: Open.	Status and number (Shane, Pat).
Odin Labs Ltd (held by Asterial)	2	As Tairseach; Pat's pack calls it "proposed, confirm name availability"; Doc 9 party removed.	As Tairseach; Asterial (not Noesis) is its parent: sequence.	Open.	Status and number; R&D agreement only after incorporation.
Occasio	3	Private language model. Probably Pat's "LLM Company". Named only as a future subsidiary (Docs 1, 2, 5 to 8).	No registered name or owner; incorporation instruction; LLM licensing to be decided.	Open.	Confirm "LLM Company" = Occasio; incorporate (Pat on Shane's instruction).
Fiducia	3	Governance, testing, security for AI. Future subsidiary name only.	No entity; relevant to task 9 (safety, AI oversight) and Tom.	Open.	Incorporate; link to Tom's work.
Glor	3	AI-native media. Name only.	No entity or owner.	Open.	Incorporate.
Sensai	3	Personalised intelligence. Shane and Padraic agreed 28 Oct: set up as its own company with Padraic in it; shareholder paperwork to Padraic within 7 to 10 days.	Who holds what (Noesis or Padraic, which class); no entity; the 1 Nov paper says "held by Noesis".	Open.	Decide ownership; paperwork timing before IP moves in.
Inneall, Fabrica, Tir AI, AI Accountancy	3	Names only. Fabrica's commissioned builds are authorised in Docs 3 to 5. Seanchai moves from SanCelvio to Tir AI (1 Nov paper).	No entities; intra-group transfers need licence or assignment and a tax check.	Open.	Incorporate; document the Seanchai move.
Kairos	3 or 4	Shane's side businesses; drawn joined to Noesis, described as majority shareholder in each venture incl. Barber Republic.	My record has Barberrepublic.ai Ltd (Johnny sole director) and BarberBarber Ltd (StayTrue) behind Barber Republic: ownership does not yet fit.	Open.	Shane to confirm the ownership chain.
Mac Enterprises; Equitas Media Ltd (EQM001); Grassroots Gazette	4	Outside the group. Mac Enterprises carved out of IP sweeps (s228(1)(f), Docs 3 to 10). Equitas and Grassroots excluded (Pat: liquidation advice for Grassroots).	Mac Enterprises has no legal form or number in the documents.	Yes (outside).	Shane to give the form and number or define by description.

Meridian, Ambrion AI, Childen	4	Not on the 1 Nov chart. Meridian not incorporated (John and Shane 70/30 intended). Ambrion position unstated.	Boundary to Noesis; no Noesis documents to Meridian; time split.	Open.	Side-projects protocol (John with Shane).
