What has to happen before the ten documents can be signed

Who: S Shane. P Pat. Sol the solicitor. Acc the tax and accounting adviser. J John.

A. Housekeeping on the documents (Shane, John)

	Item	Who
☐	Remove "(For Final Revision)" from every masthead and file name (still in Documents 2, 5, 6, 7, 8).	S
☐	Remove printed dates (Document 1 carries one); leave each document dated only when signed.	S
☐	One agreed set of figures in all ten: Scenario B (€0 or €1), IP price (€1 or €10), R&D credit (30% or 35%).	S, Acc
☐	One signing order across all ten (Document 1 puts the licence and R&D deeds at Step 4; Documents 2 and 10 place them earlier; s238 approval at Step 1 or Step 3).	S, Acc, Sol
☐	Fix class labels ("Class F/B"), the non-existent "Article 12.2" in Document 3, and define "Good Leaver".	S, John to check
☐	Fill the blanks: Company Secretary, directors and Chair, registered offices, countersigning officers, Schedule 1 deeds of adherence.	S, J
☐	Witnesses: independent witness as Document 2 requires; replace the witness named in Documents 1 and 10.	S, P
☐	Decide how planned brand names appear in Documents 1, 2, 5 to 8 (listed as brands, or removed as in 9 and 10).	S, P, Sol
☐	Public constitutions (3 and 4): either take the percentages and the 140,000 figure out, or accept they become public.	S, Sol
☐	State the source and size of Class C and the option pool; confirm the base number of shares.	S, P

B. Decisions needed

	Decision	Who
☐	One ownership structure: Shane's documents (86% / 8% / 6%) or Pat's pack (83% / 17%, fourteen holders).	S, P
☐	Who the directors, Chair and Secretary are of each company, and the board rules (quorum, conflicts, reserved decisions).	S, J, P
☐	Which companies are incorporated, which Pat is to incorporate, and when (Odin Labs, Táirseach and the planned brands).	S, P
☐	Standard constitution for the other companies, and the Document 8 rate card.	S, J, Sol
☐	Leaver terms: one consequence for the same breach in the Charter and the Shareholders' Agreement.	S, Sol
☐	Who signs the tax adviser slot in Document 10, and who keeps registers and makes filings after any change at Pat's practice.	S, P

C. Checks before signing

	Check	Who
☐	Registers, certificates and proof of paid-up capital for the five live companies; the earlier Pat-to-Shane transfer.	P, S, J
☐	Tax test of the sequence (shares first at €0.01, IP at €10, no outside valuation): gift tax, benefit in kind, stamp duty and the reliefs relied on.	Acc, P
☐	Legal review of the full set, including weighted votes, transfer locks, drag and tag, and the IP assignment from Shane personally.	Sol
☐	Evidence behind the authorship warranties (Document 9).	S
☐	Record of commitments reconciled to the documents.	J, P, S
☐	CRO check of each company's name, number and officers.	J

D. Then

Clean execution set (ten documents and a numbered change log) for review, then agreed signing order and dates, signatures coordinated, registers and minute books updated, and filings made inside the deadlines (directors 14 days, resolutions 15, allotments 30).
