Revised documents: the changes, one document at a time

Document	Main changes
1 Master Brief	Five registered companies named (Odin Labs and Táirseach now future). Class A 10 votes (100 on s146, 75.5% floor), B, C, F non-voting. New cap table 86/8/6; Asterial 97/3. Shares issued first, IP assigned second, no outside valuation. Bad Leaver widened.
2 Control Sheet	Valuation gate removed; four-step order. New live-company register, Mac Enterprises carve-out, subscription sums, seven transfer locks, IP price "1 or 10 euro", holding-period tax clock.
3 Asterial Constitution	Now Asterial Limited, 804907. Three classes. 10-year sunset removed. 36-month moratorium extendable to 60, price floor, buy-back. Noesis 970,000 Class A, Shane 30,000 Class B with a secondary right. Mac Enterprises carve-out.
4 Noesis Constitution	Now Noesis AI Agent System Limited, 805939. Four classes (A, B, C, F). Old voting "Partner" shares become non-voting Class B. Leaver rules rewritten; sandbox and drag-along removed; dividend policy adjustable by the Class A Director.
5 Charter	Parties are five live companies plus the Founder. Scenario B €0 to €1 plus a 36-month licence. New arbitration and Mac Enterprises clauses; Value Matrix and some protections removed.
6 Shareholders' Agreement	Widened from Asterial to Noesis and Asterial. Executive awards set out here. Reverse vesting 36 months to 12 months on half. New drag/tag (Asterial only), transfer locks, arbitration. Now undated.
7 IP Assignment	Price now €10 (was unspecified), paid to the Assignors (Shane, Velocity). Odin Labs and Táirseach seals removed. New Mac Enterprises clause and Deed of Adherence.
8 Umbrella Licence	New quarantine gate and liability cap (12 months' royalties). Scenario B €1 plus SLA. "Class B Holder" becomes "Class A Shareholder". Odin Labs and Táirseach removed.
9 Chain-of-Title and R&D Deed	Widened; Shane and Velocity warrant sole authorship and no open-source contamination. Odin Labs removed as party. Contains no unincorporated names.
10 Tax Schedule and Rider	Order reversed (shares Step 2, IP Step 3 for €10). Odin Labs and Táirseach removed. New clauses 2.1 to 2.5. Investor rider grows to 8 paragraphs.

Not in the revised set (from my 22 Oct note): constitutions for the other companies, the Document 8 rate card, the Company Secretary arrangement, and removal of printed dates. **Shane's own disclosure:** Documents 5 to 8 still list planned company names, and Documents 6 to 8 still show the "(For Final Revision)" masthead.
